

Dizajn produktu pre TIK Žilina

Lea Daniela Haško

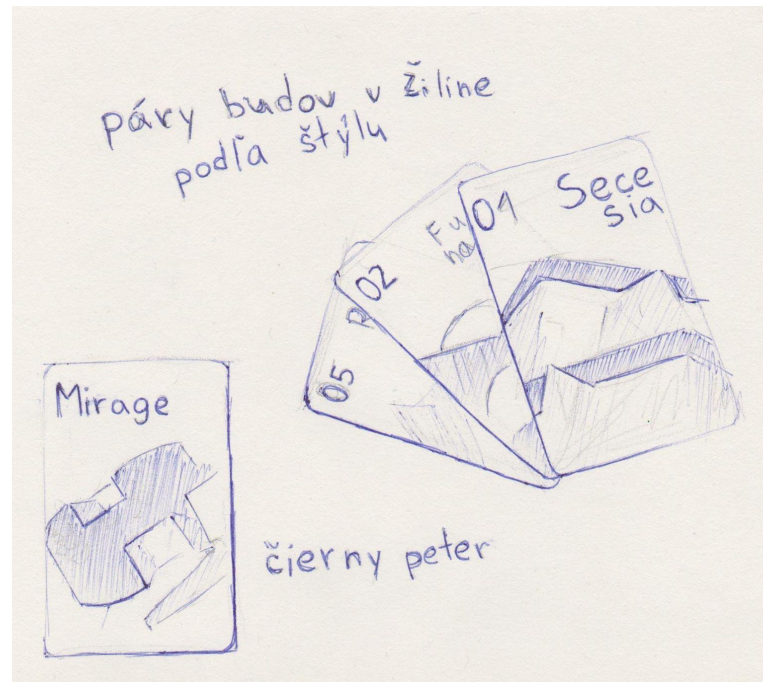

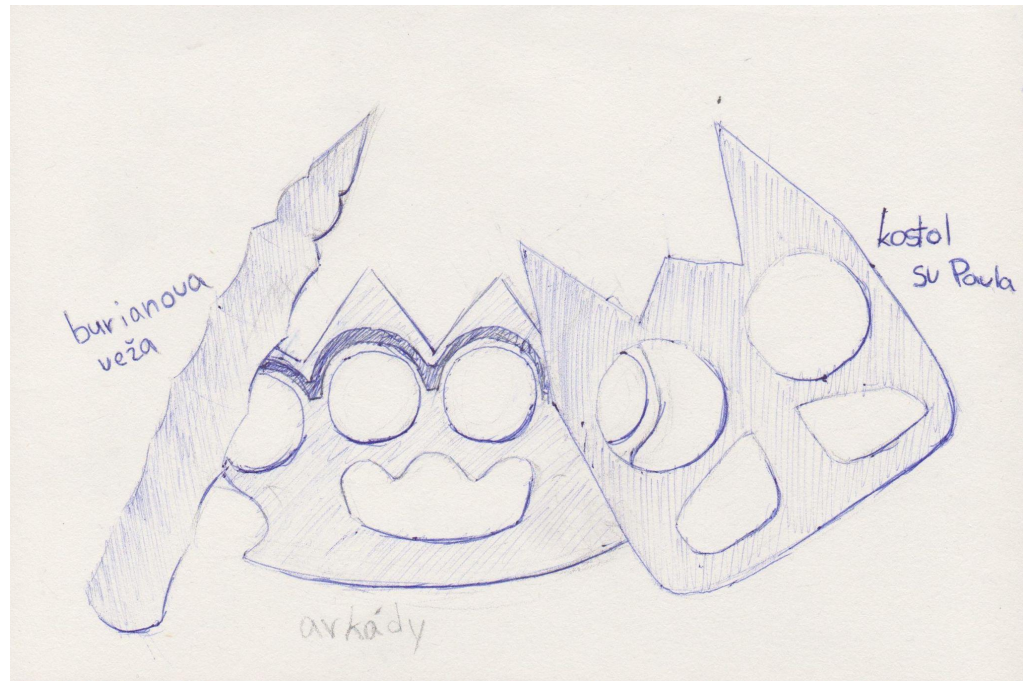

The background features a repeating pattern of stylized, interlocking geometric shapes in teal and light green. These shapes resemble a combination of the Greek letter sigma (Σ) and the letter Z, creating a complex, maze-like texture.

první kroček

The background features a repeating pattern of stylized, angular lines in teal and light green, creating a modern, architectural feel.

nác VIK

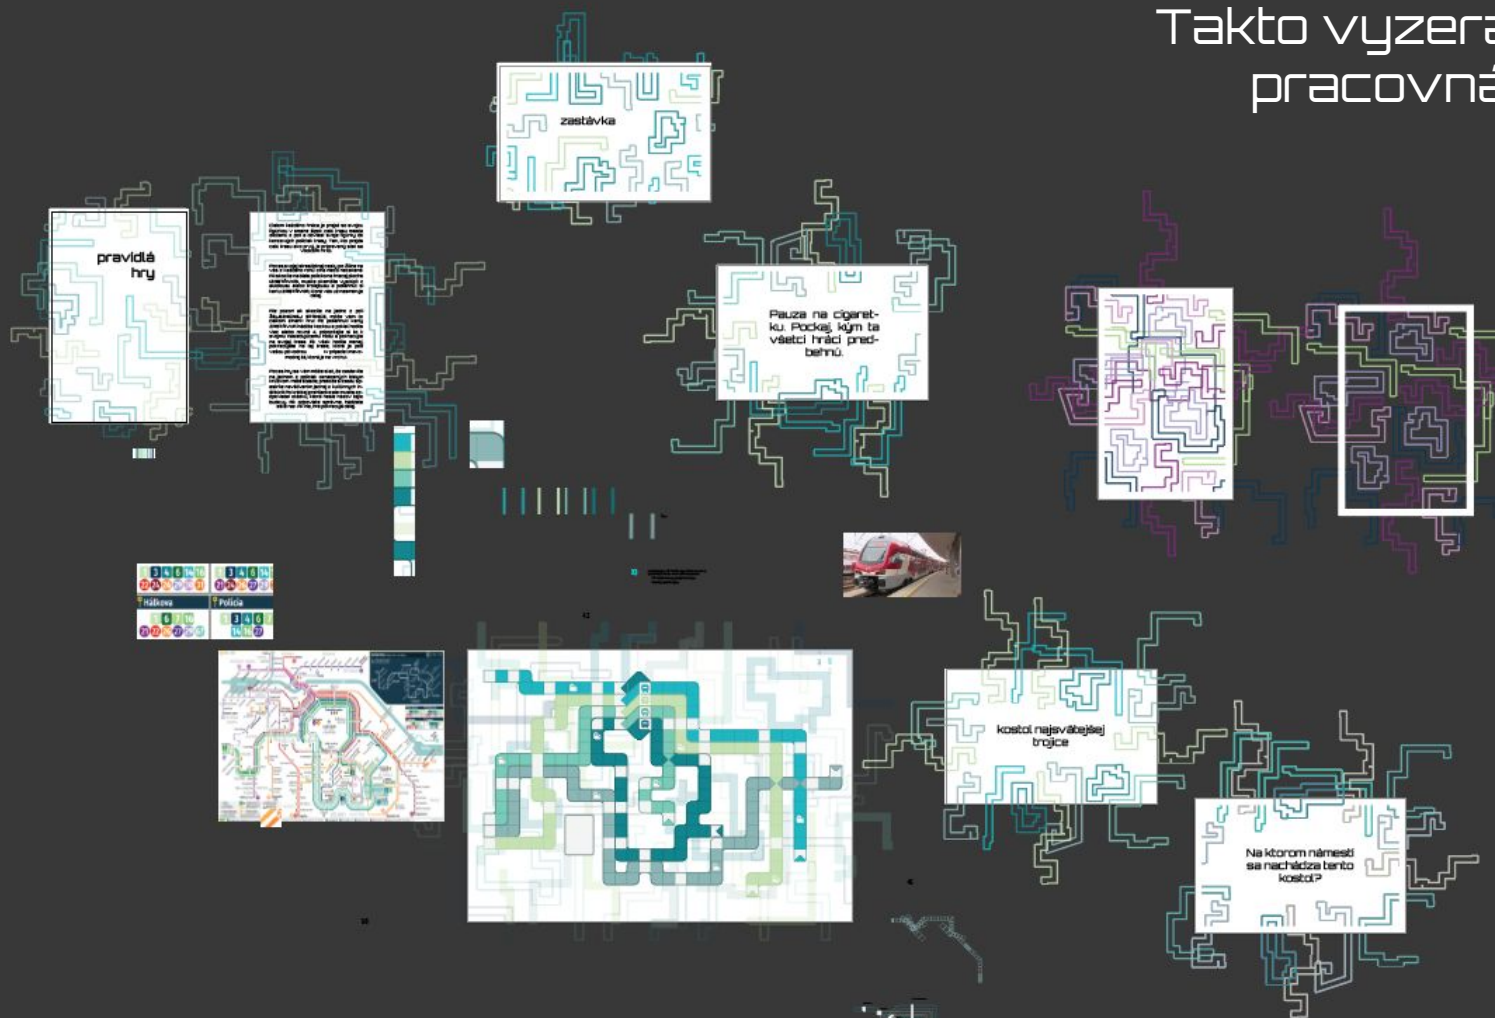

ale nič z toho sa vlastne nedialo...

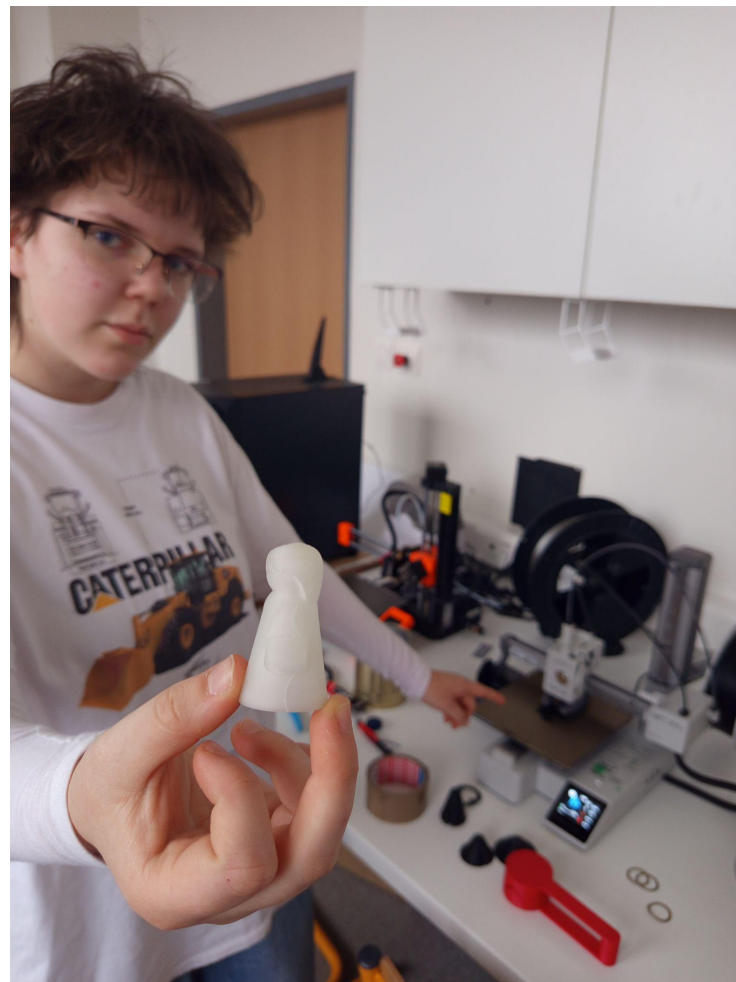

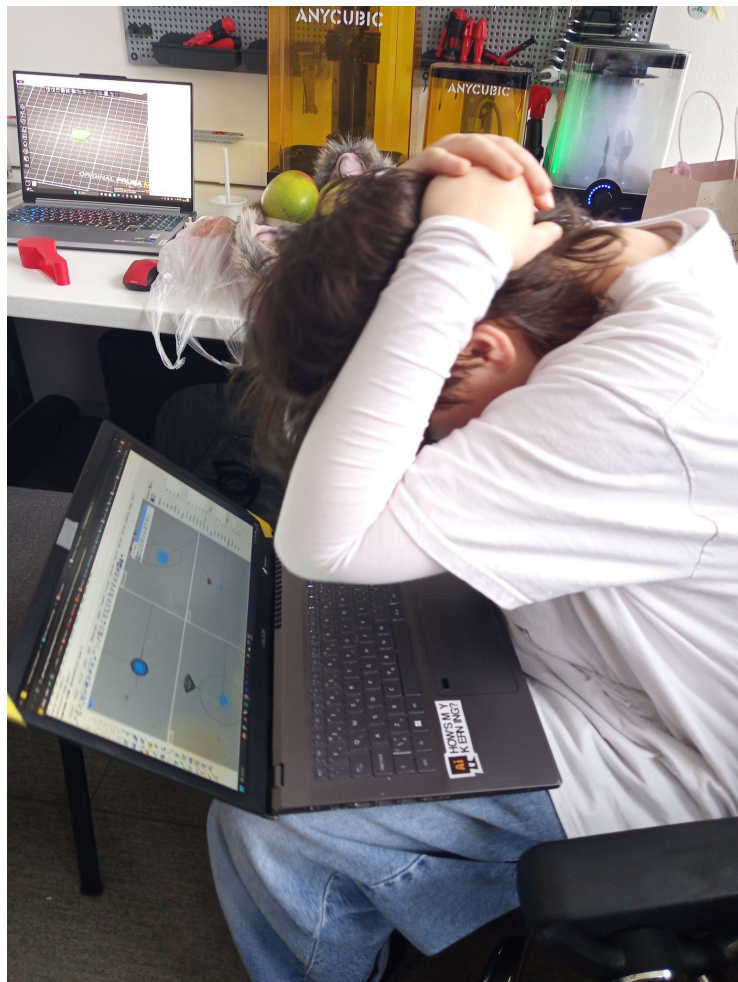

The background features a repeating pattern of stylized, angular lines in teal and light green, creating a modern, architectural feel.

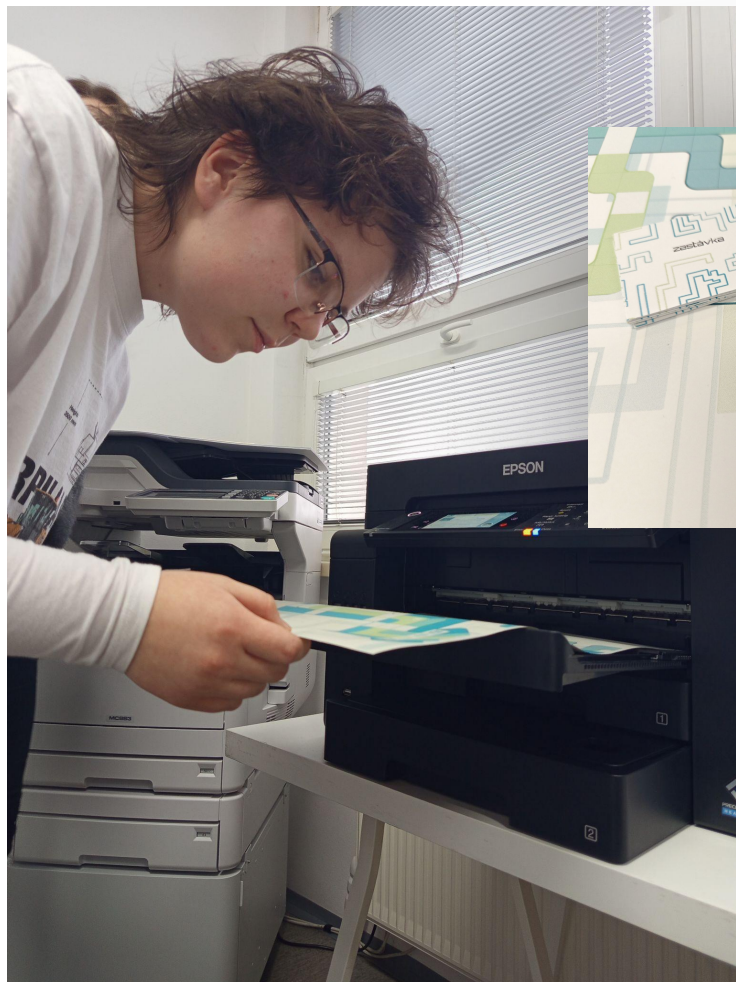

VZNIK

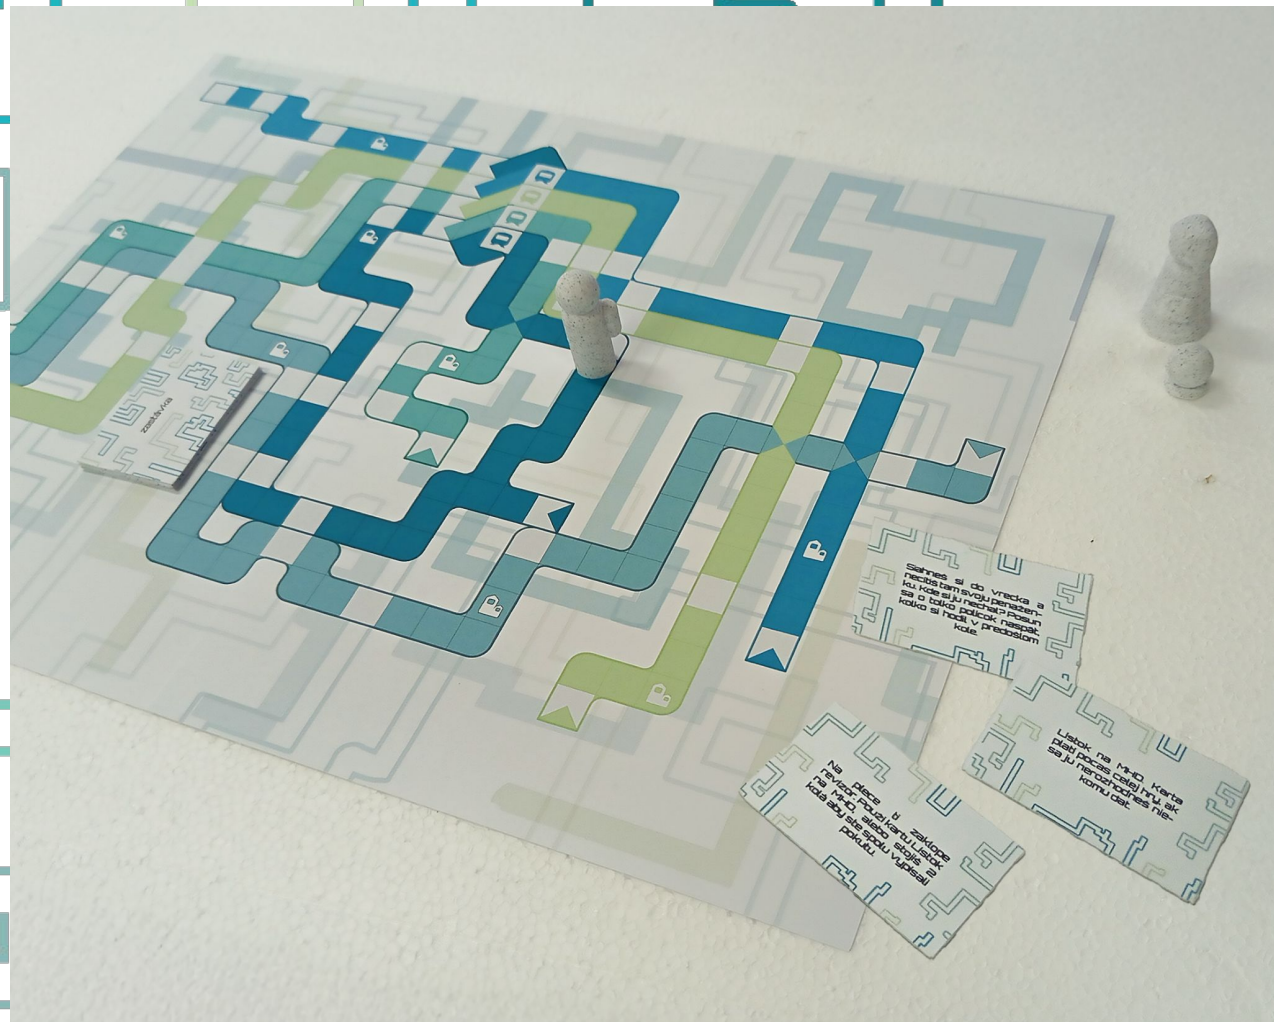

Takto vyzerala moja pracovná plocha

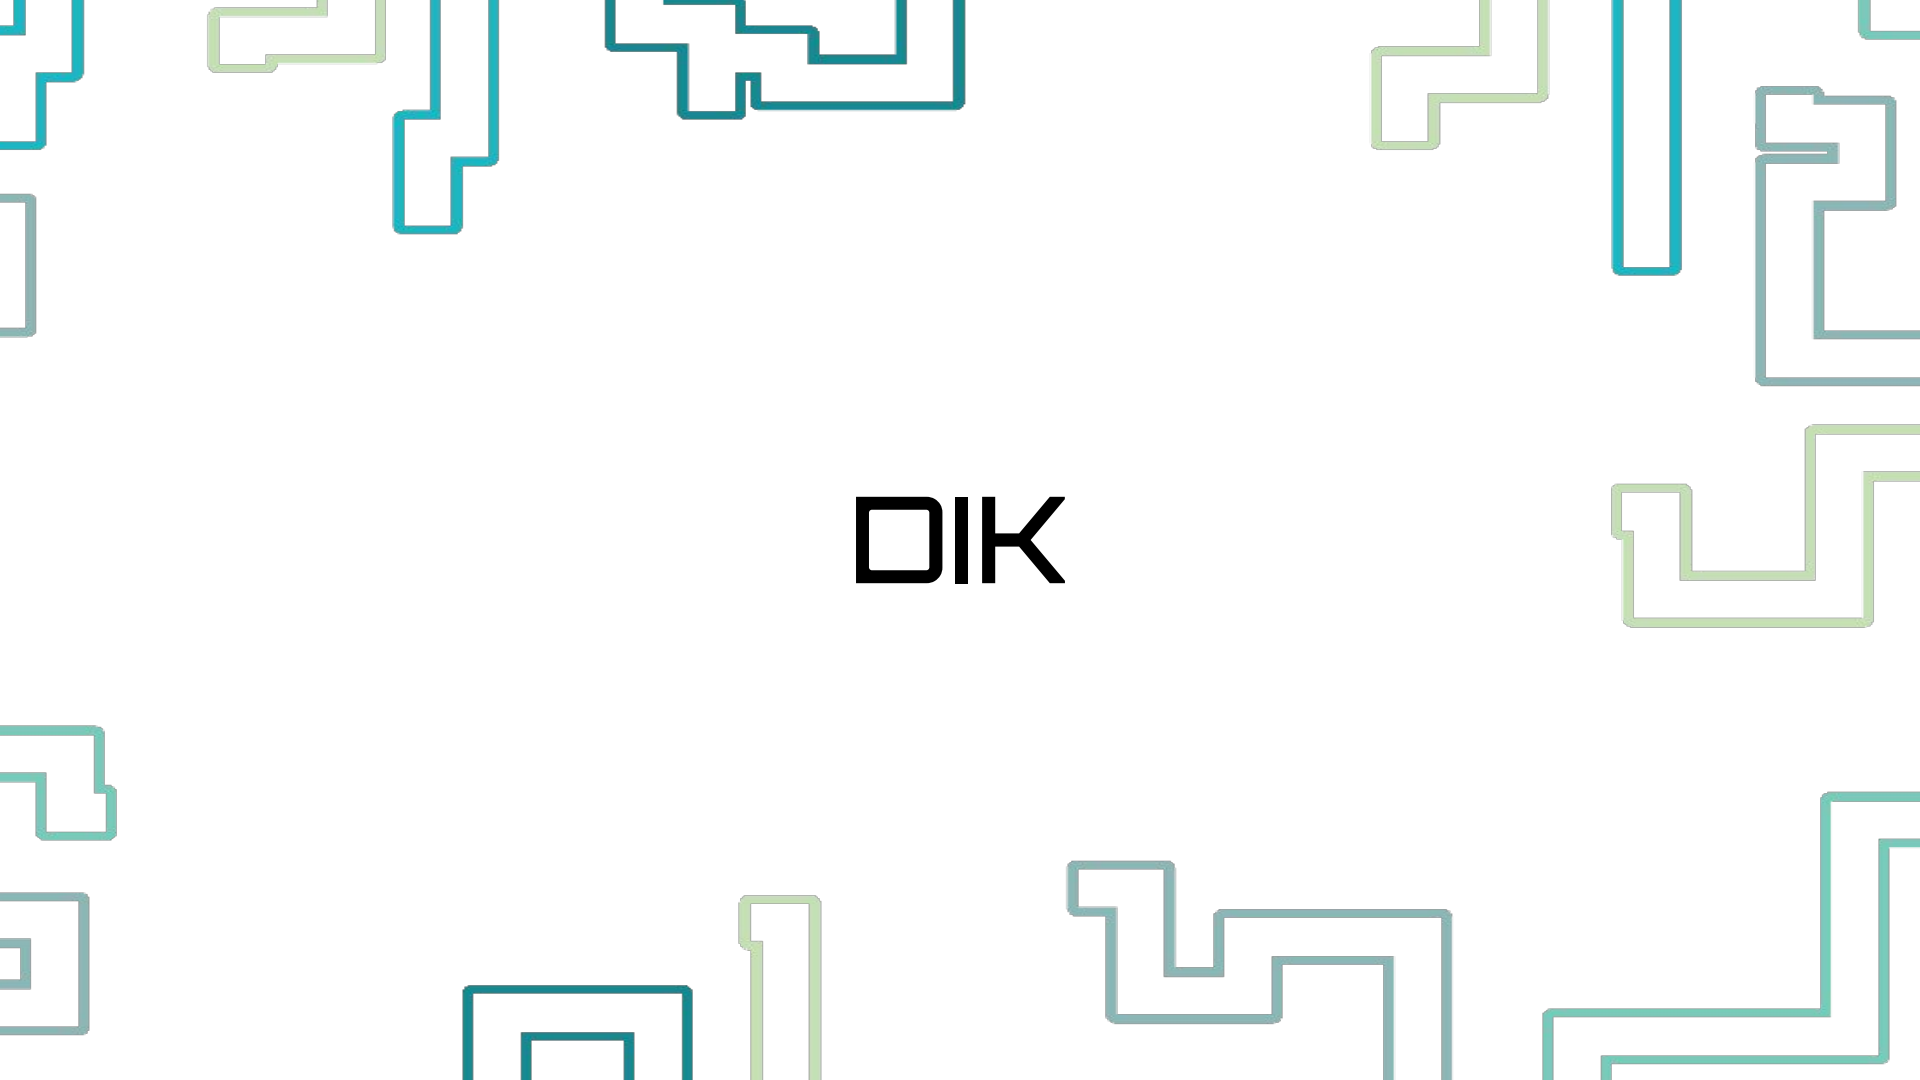

tadääää

The background features an abstract pattern of teal and green lines forming various geometric shapes, including squares, rectangles, and zig-zags, scattered across the white background.
